Your email states you sent the documents to 15000 n. stinson dr, hayden, idaho. I don't know where that is.

My address is 12000 n stinson dr.

You have sent me documents many times before, but not to that address. You'll need to properly serve those again if you sent them somewhere else. I have received nothing from you, please advise. You refuse service by email and make me drive to washington to file everything and I have no money to do that. I have 0 income.

SUPERIOR COURT OF THE STATE OF WASHINGTON

COUNTY OF SPOKANE

In re the Parenting and Custody of:
David M. Surina and Andrew A. Surina, Minor Children

Sirinya Surina,
Petitioner,

v.

Aaron Michael Surina,
Respondent.

No. 17-3-01817-0

NOTICE OF DISQUALIFICATION / MOTION FOR RECUSAL

(RCW 4.12.050–.060)

I. RELIEF REQUESTED

Respondent ***Aaron Michael Surina***, appearing ***pro se***, hereby files this ***timely Notice of Disqualification and Motion for Recusal*** of *Judge K. P. Palubicki*, pursuant to *RCW 4.12.050 and RCW 4.12.060*, and respectfully requests that:

1.

Judge Palubicki ***take no further action*** in this matter;

2.

The case be ***reassigned to a different judicial officer*** as required by statute; and

3.

No substantive rulings affecting Respondent’s parental or constitutional rights occur prior to reassignment.

II. STATUTORY BASIS

1.

RCW 4.12.050 provides that a party may seek disqualification of a judge upon the filing of a timely affidavit that the party *cannot obtain a fair and impartial trial or hearing* before that judge.

2.

RCW 4.12.060 mandates that upon such filing, the judge *“shall forthwith make an order transferring the action”* to another department or judge.

3.

This filing is made *prior to any discretionary ruling on the

merits* of the pending matters and is therefore ***timely*** under Washington law.

III. GROUNDS

Respondent believes, and hereby states under oath, that he *cannot receive a fair and impartial hearing* before Judge K. P. Palubicki in this matter.

This Notice is made ***without intent to argue the merits***, and strictly to preserve Respondent's statutory and constitutional rights.

IV. HEARING STATUS AND CLARIFICATION

1.

The hearing previously scheduled for ***today*** has been *rescheduled to the first available date provided to Respondent*, which is *February 13, 2026*.

2.

Respondent expressly ***does not waive*** any pending or forthcoming motions, including but not limited to Respondent's *Motion to Lift Stay*, which will proceed on the rescheduled date ***after reassignment***.

3.

Respondent objects to any attempt to proceed substantively prior to judicial reassignment, as doing so would *violate RCW 4.12* and infringe Respondent's due process rights.

V. RESERVATION OF RIGHTS

Nothing in this filing shall be construed as:

*

Consent to jurisdiction for substantive rulings today;

*

Waiver of objections to prior irregular proceedings;

*

Waiver of appellate issues; or

*

Waiver of any constitutional, statutory, or procedural rights.

All rights are expressly ***reserved***.
