Thank You

Thank you for allowing us at Providence to care for you. After discharge, you may be selected to provide feedback on your experience. Watch for a survey in your mailbox or email. We always want to provide you excellent care and the best experience possible. Your input will help us learn what we are doing well and how we can improve. Thank you for taking the time to complete the survey.

Important Information:

If your condition worsens call your doctor immediately. For all emergencies: **call 911** or go to the **Emergency Department**.

Your Medication List

ASK your doctor about these medications
