Aaron Surina, Father and Respondent, seeks review by the designated appellate court of the Order to quash immediate restraining order granted by the Spokane County Superior Court and which was one of a handful of orders obtained and used without any signature and by using commissioners even after being informed of an injunction on 8/29/2024 against commissioners adjudicating without allowing Mr. Surina to attend or participate. A copy of the decision is attached to this notice.

Note: There are other orders that have not been cleaned up under rule 60 making the trial court visiting judge show bias in this case. 404358 in Division III. Criminal report number: 2024-1008-4574 spokane valley police dept.

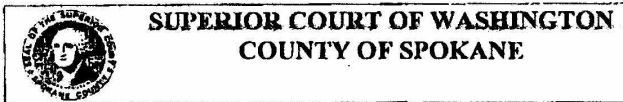

We need to immediately preserve the chain of custody on the video footage from Costco in Spokane Valley, WA. Video of costco parking lot assault on 7 yr old available but altered by Mr. Kempner which is the video needed to admit into evidence for the original restraining order protecting the children from further abuse by Eric Brubaker.

Mr. Kempner was successful in preventing his client from answering to a trial court judge in regards to the circumstances of 6/15/2024 @ 14:02pm. I was not able to be notified, served or present for any of the hearings Mr. Kempner obtained these orders in. See attached.

Mr. Kempner's altered video of the incident can be seen here without chain of custody from the source:
